nantoux - bourgogne

## SAVIGNY-LES-BEAUNE

---

### INTRODUCTION

This is one of the largest appellations in the Côte de Beaune and is known for its incredible diversity of terroirs and exposures. Our source here is the climat of Les Gaulardes which gives rise to elegant wines with excellent cellar-ageing potential.

### TERROIRS

A blend of two climats: Les Planchots (white limestone soils on the edge of the alluvial cone situated in the valley of Savigny) and Les Gollardes, a high-altitude plot composed of shallow, reddy-brown, stone-rich soils.

### VINIFICATION & AGEING

Harvested by hand and transported in crates, vinification in open vats, cap punching and pumping over operations, indigenous yeasts, 30% whole clusters, aged in oak barrels for 10-12 months. Bottled without filtration.

### TASTING

Very fruity, powerful yet fine tannins, lovely array of aromas on the palate.

Service temperature: 16/17°

Cellaring : 5/7 years

### KEY INFO

Varietal: 100% Pinot Noir

Appellation: Savigny-Les-Beaune

Colour: red

Certified organic wine (Ecocert)
